Socks for Residents

Royal Banks held its annual sock drive again this year. Every year they host a collection and give the socks to both us and our sister facility, Stearns.

The collection was a success and a plethora of socks was donated to our facility. Residents enjoyed getting new socks. It really is the little things in life that make us happy.

We absolutely appreciate the socks. Socks are a staple for us here.

Thank you so much, Royal Banks! You do so much for us and the rest of the community.

PJ Day!

Sports Day!

Disney Day!

PJ Day!

Employee Appreciation Week

We really loved celebrating employee appreciation week. It was so much fun. We had different theme days.

Monday was sports day. Staff and residents enjoyed fresh popped popcorn and snow cones. Staff got to wear their favorite sports team apparel.

Tuesday was rodeo day. Actually, National Rodeo Day. Staff wore their best western style outfit. We held a calf scramble that everyone got a laugh out of.

Wednesday was superstar day. We held a talent show. Staff and residents both participated. It was a wonderful show with a lot of talent.

Thursday was Disney day. We held a Disney themed scavenger hunt and had quite a few Minnie Mouses running around. It isn't "Disney" without those iconic ears.

Friday was PJ day. The best theme day ever. Staff got to wear PJs to work on Friday, and most residents opted to stay in theirs all day, too!

Granite's Got Talent!

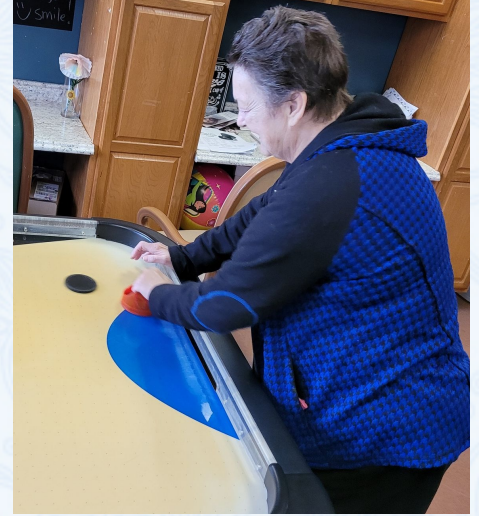

We held a talent show (as a part of employee appreciation week). We had both residents and employees participate. We have some real talented people

around here!

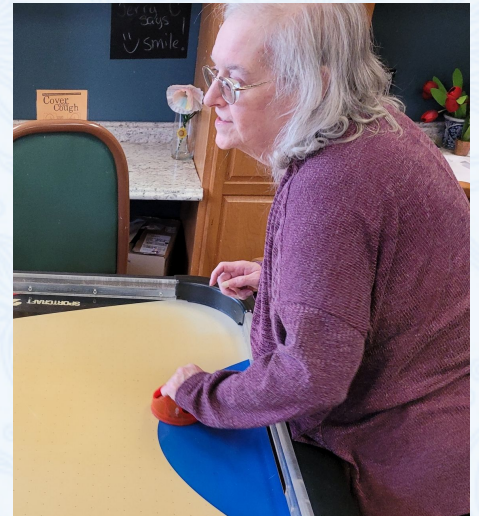

It was so much fun to just let loose and sing. Everyone enjoyed the show!

Range of Motion

Our restorative program has been using our new air hockey table for range of motion exercise. It is a fun way to get moving. We really love our new toy!

Feeling Lucky

We celebrated St. Patrick's Day with all things green.

We had a little party with green snacks and drinks. We had a green double cookie cake, green donuts and green punch.

We held a small trivia contest to win pots of gold (Werther's original, basically the same thing). With only 5 pots of gold, it was definitely a competition. We all learned a lot, like did you know leprechauns make shoes?

We even had a good laugh learning our leprechaun names! We used a leprechaun name generator for us all to find out what our names would be. They were awfully silly, but we really enjoyed it.

We had a fun, green, St. Patrick's Day.

Savory Sweet Treats

We love National Food days! We celebrated National Oreo Day, National Tootsie Roll Day and National Cereal Day. We will take any excuse to have a snack.

Laugh Lines: Earth Day Delights

Q: What does a Jedi say on Earth Day?

A: "May the forest be with you."

Q: Why did the gardener plant lightbulbs?

A: He wanted to grow a power plant!

Q: What did the worm say when her son came home late from school?

A: "Where in earth have you been?"

Q: How do trees promote Earth Day?

A: They hand out leaflets.

Q: What's the difference between weather and climate?

A: You can't weather a tree, but you can climate.

Q: Why are recycling bins so optimistic?

A: Because they're full of cans, not can'ts!

Q: Where do saplings go to learn?

A: Elemen-tree school.

I wanted to throw an Earth Day party, but I forgot to planet.

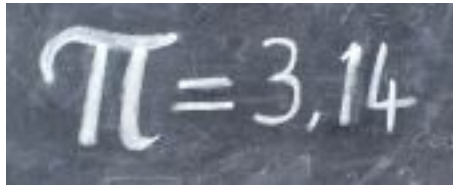

My favorite way to conserve energy is to spend all day on the couch.

I recycled today. I rode my bike twice!

Don't pay for dead batteries. They're free of charge.

Nature is so resourceful. It can make dew with just water!

I'm celebrating Earth Day by sending all my work emails to the recycle bin.

Jamie D. with her apple pie on Pi day!

Pi(e) Day

We celebrated Pi day with pie! A plethora of flavors of mini pies were enjoyed. Residents also had the opportunity to win a special prize for guessing the most correct numbers of Pi. We got to 15 numbers in, which is quite impressive: 3.14159265358979. Dale S. is the one who got it!

It was a great (and yummy) learning opportunity for us all!

Go Outside!

The weather is warming up and we love it!

We are kicking the winter blues by enjoying this spring weather outside. We have been taking any excuse to be outside we can.

We have been enjoying outdoor games and crafts. We painted flowerpots and planted flowers on National plant a flower day. It was a great way to soak up the sun and get our creative juices flowing.

We put together a new game our facility got for Christmas. We loved it! It is a ring toss connect four game. It is a lot harder than it looks, but it is just so much fun!
